

Dobj és mozogj!

Dobj!	Mozogj!	Amire figyelj!
	<p>PÓK</p>  	A pók fenéke végig fent legyen, nem érhet le!
	<p>REPÜLŐ</p>  	Karok, lábak a levegőben! Zárd össze a lábad!
	<p>HÁZIKO</p>  	Sarkadat told a talaj felé!
	<p>KISASZTAL</p>  	Olyan egyenes legyen az asztal, hogy meg lehessen rajta reggelizni! (csípő fent legyen)
	<p>BÜDŐSBOGÁR</p>  	Emeld el a fejed a talajtól!
	<p>KÍGYÓ</p>  	Mindkét lábadat használd!
